SAFER INTERNET DAY 2022

TOP TIPS FOR YOUNG GAMERS

1) Do not give out any personal information such as your names, birth date, address, phone number or personal photographs.

2) Respect any security controls put in place by your parents, carers or teachers. These blocks are for your safety.

3) Be kind online, speak to others as you want be to spoken too. Cyber bullying is not acceptable on any platform.

4) If anything happens online that makes you unhappy or concerns you, make sure to tell a parent, guardian or teacher immediately.
